God has been so good to us as we start deputation. It has been exciting to take this step of faith and pursue the will of God for our lives.

We started deputation just a few months ago on January 22, 2026. Since then, God has blessed us in filling up our calendar for this year. We have already been in eighteen churches between Kansas, Oklahoma, Texas, and Arkansas. This also includes being in five missions conferences. We have traveled over 5,300 miles just in missionary meetings!

After several good meetings and many churches promising to take us on, our first monthly support check came! Then others started to arrive this month as well. We are currently at 7% of our monthly support goal.

God has allowed Jaime and me to meet so many wonderful people along the way. It has been humbling to receive gifts from Christians who sacrificially give to us. We are blown away by your thoughtfulness and giving. It has been fun to be with the young people at your churches as well. Many have played football with us, taught me things about the guitar, and even spent time just talking with us. It is encouraging to see young people with a love for God in your churches. Thank you to all that have continued to pray and reach out to us as we are starting deputation. Please continue to pray for our safety as we travel.

As deputation has started, our time spent at our home church has become less and less. Jaime and I are turning over ministries that we have been involved in for years to others in the church. However, one thing we continue to do is go soul winning. Just the other day, I knocked on the door of a young man named Marcus. I invited him to church, and he asked what church I was from. After I told him, he replied, "I used to ride the church bus five years ago." It was exciting to hear that. I then asked if while he came to our church, anyone had showed him how he could know that he would go to Heaven when he died. He then allowed me to take the Bible and show him the Gospel. After a few minutes, he trusted in Christ as his Saviour. The next day he came to church! Pray for Marcus to come back, and for him to follow the Lord in believer's baptism.
