May's calendar did not have a lot scheduled as far as meetings, but it was still busy. Jaime and I were finishing our time in the different ministries we have served in for the past few years and were turning them over to others in the church family.

God has given us safe travels on deputation thus far. This month we have traveled to one church in Indiana, one in Nebraska, but the rest have been within a few hours of our home church. This next month, we will be staying in Kansas for all our meetings. We have traveled over 8,300 miles since the start of deputation, and we have been in 24 different churches. God has allowed us to raise 14% of our support already! It has been exciting to see support come in.

One thing that made this last month special for Jaime and me was our church family. We are at a loss for expressing our gratitude. To start the month off, the teenagers in our youth department threw a surprise party for us, and it was a blessing. They spoiled us with gifts, and the fellowship was sweet. A few days later, Jaime's class threw a party for her as well. She has been teaching in the Christian school for thirteen years. Many of her former students even wrote her notes for the send off. On the school's graduation night, our church family presented Jaime and I with new luggage for our deputation journey. I was able to preach the graduation service to the seniors in the Christian school that evening as well.

Jaime had a fun soul winning experience this last month. As we were out soul winning with the teenagers in our church one Wednesday afternoon, Jaime knocked on the door and a teenage boy answered. She asked him if he knew if he would go to Heaven, and he replied, "I was just reading the Bible trying to figure it out." Jaime was then able to open her Bible and help him find those answers!

Prayer requests: 1.Travel Safety 2. Raise Support 3. Witnessing Opportunities
