WOW! It is hard to believe that we have already finished six months of deputation, traveling over 12,000 miles across eight states and visiting forty-four churches. We have been so blessed as we have traveled. God is good. We are currently at 28% of our needed monthly support. Please continue to pray for us as we head into a hot month of meetings in Texas!

Raising financial support is essential on deputation, but building lasting prayer partnerships is just as vital. We are deeply grateful; for everyone who has given toward our support or lifted us up in prayer—your partnership makes a real difference. Every conversation and church visit brings us one step closer to serving full-time in Brazil.

The highlight of this month came from an unexpected weekend back at our home church. We were able to catch up with friends and family. We were encouraged by the preaching and church family. We were able to jump in and help for a couple of days at Vacation Bible School as well. I was able to drive for one of the bus routes, and Jaime helped with registration. Jaime and I had the privilege of leading three boys and seven girls to the Lord! It was exciting! It was an incredible reminder of why we do what we do.

Prayer Requests: 1. Travel Safety 2. Ministry Opportunities 3. Support
