This month has been exciting! I had a goal to pass out more tracts than the previous month, which opened up wonderful opportunities to witness to folks. We were able to share our testimonies, the Gospel, and even pray with hurting souls.

We want to share a few stories from our travels this month. While in a church in Missouri on a Sunday morning, I was given the opportunity to preach. During the invitation, a young lady raised her hand wanting to be saved and went to the altar. I went to Jaime and nudged her and said, "She wants to get saved." Jaime joined her, and the young lady put her faith in the Lord!

While spending some time with a friend, he initiated a spiritual conversation with a man who happened to join us. I stepped back and let my friend take the lead, which gave me an opening to share the Gospel as well. While he did not accept Christ that day, it was a reminder of how many people are trusting in their own righteousness and have never heard God's simple plan of salvation. As 2 Corinthians 4:3 reminds us, "If our gospel be hid, it is hid to them that are lost."

We also spent time doing door to door outreach with a layman from a church in Indiana. While out soul winning on a Thursday morning, we met a 19-year-old young man who had never heard the Gospel. My soul winning partner shared the Gospel, and the young man trusted in the Lord!

On deputation, it has been so encouraging to see what God is doing. Many of you have been faithful to pray for us and financially support our ministry. We are currently at 38% of our monthly goal. Please pray for us as we head into five missions conferences next month.

Prayer Requests: 1. Travel Safety 2. Ministry Opportunities 3. Support
